If you have additional participants to add, select add participants (repeat this process until you have all your participants added). Once you have added all your participants, click select next to the available program you want to register the participant(s) for.

You will be able to add participants later if you opt to complete the registration on the 1<sup>st</sup> participant added, and conversely if you add additional participants, you will be able to complete the registrations later in the process.

This screenshot shows the 'Add Participants' step of the registration process. At the top, there is a navigation bar with three tabs: 'Account Details', 'Add Participants' (which is highlighted with a green circle and a checkmark), and 'Program Information' (which has a large number '3' next to it). Below the navigation bar, the section is titled 'David's Available Programs'. It contains a table with two columns: 'TEST 2020 Hot Stove Baseball' and 'Price'. The first row shows '1 Copy of Class G (12 Year Olds)' with a price of '\$125.00'. To the right of this row is a 'Select' button, which is highlighted with an orange circle. There is also a 'View Description' link below the program name.

Your selection(s) will be changed to selected, then click Continue.

This screenshot shows the 'Add Participants' step after a selection has been made. The 'Add Participants' tab is still highlighted. The 'David's Available Programs' section now shows the '1 Copy of Class G (12 Year Olds)' program with a 'Selected' button next to it, which is highlighted with a green circle. Below this, there are sections for 'Heath's Available Programs' and 'Heather's Available Programs', both of which show 'No Programs available for Heath' and 'No Programs available for Heather' respectively. At the bottom right, there is a 'Continue' button, which is highlighted with a green circle. There are also 'Back' and '+ New Participant' buttons.
